

ABSTRACT OF THE DISCLOSURE

5 A multi-media gaming printer. The multi-media printer
may accept various kinds of voucher media, such as thermally
writable medias, smart cards, or magnetic strip cards. The
multi-media printer includes writing, reading, and erasing
devices within the printer to manage and use the different
types of media. In addition, the multi-media printer includes
10 control logic and articulated printing mechanisms that prevent
the multi-media printer from inadvertently manipulating a
voucher in an inappropriate manner. The design of the multi-
media printer is modular so that voucher media magazines may
be replaced as needed.
